- Anchors (If Necessary)

Instructions:

Robertha Mounting Bracket Installation

1

Turn power off.

2

Level and mark desired location of *Luminaire* (A).

3

Install *Driver* in desired location and bring power cord to the location of *Luminaire* (A).

4

If necessary, cut a hole in order to pull out power cord.

5

Measure and mark desired distance between *Robertha Mounting Brackets* (B). Securely screw them in place.

6

Connect *Luminaire* (A) to *Driver*.

7

Insert *Luminaire* (A) into *Robertha Mounting Brackets* (B).

8

Turn power on.

Do **not** overload power unit if many *Luminaires* are connected to the same one.
