

# Palazo

*Specification grade linear downlights*

LUMEN  
WARM

The **Palazo downlights** are high quality specification grade downlights that can be used for general or accent lighting in any type of project.

The series offers various sizes and outputs and has a **wide range of optics and trim options and colours.**

# Palazzo

Wall washer 5

The **wall washer version** is the ideal solution to put emphasis on a wall or a piece of art.

It is available in 6, 11 or 16 inches lengths and provides a smooth even distribution on the desired surface.
