

# CERTIFICATE OF COMPLIANCE

**Certificate Number** UL-CA-2000219-3  
**Report Reference** E508068-20200622  
**Date** 18-Aug-2023

**Issued to:** Lumen Warm Inc  
155, Rue Fortin, Ste 180  
Quebec, QC G1M 3M2  
Canada

**This is to certify that representative samples of** IFDR7 - Low-voltage Lighting Systems, Power Units, Luminaires and Fittings Certified for Canada  
See Addendum Page for Product Designation(s).

Have been evaluated by UL in accordance with the Standard(s) indicated on this Certificate.

**Standard(s) for Safety:** CSA C22.2 NO. 250.2, 1st Ed., Issue Date: 2020-01-01

**Additional Information:** See the UL Online Certifications Directory at <https://iq.ulprospector.com> for additional information

This Certificate of Compliance indicates that representative samples of the product described in the certification report have met the requirements for UL certification. It does not provide authorization to apply the UL Mark. Only the Authorization Page that references the Follow-Up Services Procedure for ongoing surveillance provides authorization to apply the UL Mark.

Only those products bearing the UL Mark should be considered as being UL Certified and covered under UL's Follow-Up Services.

Look for the UL Certification Mark on the product.

# CERTIFICATE OF COMPLIANCE

**Certificate Number** UL-US-2000446-2  
**Report Reference** E508068-20200622  
**Date** 18-Aug-2023

**Issued to:** Lumen Warm Inc  
155, Rue Fortin, Ste 180  
Quebec, QC G1M 3M2  
Canada

**This is to certify that representative samples of** IFDR - Low-voltage Lighting Systems, Power Units, Luminaires and Fittings  
See Addendum Page for Product Designation(s).

Have been evaluated by UL in accordance with the Standard(s) indicated on this Certificate.

**Standard(s) for Safety:** UL 2108, Edition 2, Issue Date 2015-12-07, Revision Date 2023-04-18

**Additional Information:** See the UL Online Certifications Directory at <https://iq.ulprospector.com> for additional information

This Certificate of Compliance indicates that representative samples of the product described in the certification report have met the requirements for UL certification. It does not provide authorization to apply the UL Mark. Only the Authorization Page that references the Follow-Up Services Procedure for ongoing surveillance provides authorization to apply the UL Mark.

Only those products bearing the UL Mark should be considered as being UL Certified and covered under UL's Follow-Up Services.

Look for the UL Certification Mark on the product.
